CR No. 21-00121-JJM

On February 7, 2024, a member of the public requested that documents relating to the above-case be unsealed as a matter of public record. *See ECF 34*. Originally, defense counsel had taken no position on the request, but the Court issued a text order on March 12, 2024, directing the parties to respond.

The defendant suggests that if the Court grant the request, that any personal identifying information concerning the defendant be redacted, including personal information, addresses, IP addresses, etc. It is the defendant's understanding that the complaint is already unsealed.

Respectfully submitted
John MacIntyre
By his attorney,
